Gold Coast - Suite G03, 9 Bay Street Southport QLD 4215

Qualification Description

This qualification equips individuals to work within community, home, or residential care environments, operating under supervision as part of a collaborative team. They deliver personalised care based on an individualised plan to support people facing challenges related to ageing, disability, or other circumstances. These professionals are accountable for their tasks within the scope of their role, applying a blend of practical skills, technical know-how, and a foundational understanding to ensure quality care.

Purpose

The purpose of this course is to prepare individuals to deliver high-quality, person-cantered care in community, home, or residential settings. It aims to equip participants with the essential skills, knowledge, and practical experience needed to support individuals who require assistance due to aging, disability, or other circumstances, ensuring they can work effectively as part of a care team within the guidelines of industry standards and regulations.

Entry Requirements

This course has the following entry Requirements:

Age: Applicants must be 18 years or older at the time of the course commencement

Academic: Applicants must have completed at least the equivalent of year 10

English Proficiency: Applicants must undertake GIE`s (LLN) Language Literacy and Numeracy test and achieve required level.

Basic computer Skills and Equipment's knowledge.

Duration

The course is delivered in 20 weeks (including 120 hours of work placement. The course also requires the completion of 120 hours of work placement, providing students with real-world experience in a care setting

Employment Opportunities

Job roles include
- Age care worker
- Disability support worker
- Home care assistant
- Personal care assistant
- Community support worker
- Accommodation support
- Planned activity assistant

Mode Of Delivery

The course is delivered through a blend of face-to-face classroom instruction and practical training. Students engage in interactive lectures, group activities, and hands-on exercises to build their knowledge and skills.

Pathway

After completing this course, graduates can immediately enter the workforce in roles such as Aged Care Worker, Disability Support Worker, Home Care Assistant, or Community Support Worker. Graduates may choose to further their education by pursuing higher qualifications, such as the CHC43121 Certificate IV in Disability, Certificate IV in Ageing Support, or other related qualifications in the community services sector. This can lead to more advanced roles and greater career opportunities within the healthcare and social services industries

Qualifications Awards

On successful completion of this course, the student will be awarded CHC33021 – Certificate III in Individual support which is nationally recognized qualification

Recognition of Prior Learning (RPL)

Students can also pursue recognition by providing their trainer/enrolment officer relevant evidence requirements as detailed in Global Institute of Education RPL kit for this qualification

Participants Support

Global Institute of Education offers a range of support services to assist prospective participants with course, career or fee advice. If you need assistance in any of these aspects please let a staff member know so that we can arrange assistance where appropriate.
If recognition applies the student's overall duration will alter and a schedule of exemptions will be provided

Credit Transfer

If a certificate with a statement of results or a statement of attainment is produced and verified, a credit transfer process will be initiated by Global Institute of Education in relation to the units as per the training plan

Units of Competency

Total units = 15   Core units = 9   Electives = 6
